Welcome to El Reno Family Dentistry.

We are so honored you have chosen our dental team to take care of you! We strive daily to be the leading team in dentistry. Therefore, we are committed to providing a warm, caring, and professional environment for our patients. **We are El Reno's Most Caring Dental Office™.**

At El Reno Family Dentistry, we believe that it's our attention to detail that sets us apart from other dental care providers. Every day we strive to put our patients first by starting our appointments on time and treating everyone like family. We partner with you to provide superior general, cosmetic, implant, and sedation dental services for the entire family. We believe in **total wellness** so please talk to us about your health, including but not limited to teeth and gum concerns, headaches, fatigue, and any dental hygiene questions you may have for you or your family.

We want to encourage more people to take care of their dental health. Recent statistics indicate that a little over half of the people in Oklahoma go to a dentist regularly. That is why we offer a **FREE First Visit™**. This includes an exam with the doctor and x-rays. Please tell your friends about this program.

We invite you to ask questions because we want to create a lifelong relationship with you. We are very proud to be part of this community and we thank you for being here today!
