Great Cosmetic Dentist

[Dr. Cohlmiya](#) has proved himself to be the trusted El Reno family dentist, and cosmetic dentistry services are just another way he makes your dental care goals his first priority. Dr. Cohlmiya was lucky enough to participate in the yearlong Oklahoma Advanced Education in General Dentistry (AEGD) Residency. This program trained him to perform many complex dental procedures including cosmetic dentistry treatments. His dedication to continuing education sets Dr. Cohlmiya apart in the dental field. He says his favorite thing about being a dentist is working with patients to achieve a goal, and no matter what your oral health goals are Dr. Cohlmiya will help you achieve them.

As a dedicated cosmetic dentist, Dr. Cohlmiya believes that all dentistry is cosmetic. Your smile is one of the first things people see when they meet you, so having a smile that looks and feels great is important. No matter what dental care procedures you need, our team will work to restore your smile to its natural beauty.

Superior Cosmetic Dentistry Options

If you don't love your smile, let us help you create the smile of your dreams. Innovations in cosmetic dentistry make it easy to have the smile you've always wanted. Our practice offers numerous cosmetic dentistry treatments including:

[Veneers and Lumineers](#) – Thin sheafs of porcelain that cover any chipped, cracked, broken, stained or missing teeth.

[Invisalign clear braces](#) – For adults who want straighter teeth, patients with sensitive teeth and gums, and those who prefer to straighten their teeth invisibly, clear braces give you a beautiful, health smile to be proud of.

[Teeth Whitening](#) – We offer both in office and at home whitening options to meet our patient's needs.
